## DUAL SIM CARD **1** **2**

A Dual SIM gives you several advantages that you cannot let pass by. Having two SIM slots in your mobile device, there isn't anything to worry about: **Exchanging SIM cards from one phone to another • Carry two phones in your pocket • Remember to charge two devices.** You could take advantage of different voice/data plans for better rates, better coverage, and separate bills. You can set apart personal from business phone calls. For the international traveler, a DUAL SIM phone could avoid roaming charges by having a domestic carrier SIM and an international carrier SIM.
