Globally Connected & Dual SIM

Fear of missing out? No worries, the C6 has your back and allows you to Keep Connected with friends and family while traveling around the globe. The C6 comes with the most popular 3G bands 850/900/1700/1900/2100 to ensure you always have access to worldwide carrier while you're on the go!

Android Oreo (Go Edition)

Android 8.1 Go Edition

A powerful experience for entry-level smartphones. It's the best of Android, built with new and reimagined apps, so even the most affordable Android smartphones are as sweet as can be.

Data that has your back

With a built-in data manager and more options to help you save, there are now more ways than ever to stay in control of your data. Because data is meant to be enjoyed, not just used.

Built to use less

Brand new apps designed for lighter updates and downloads help create more space while significantly improving performance. That's what we call a win, win.

Google apps, reimagined

By building a fast, smooth smartphone experience with enhanced apps (and a few new ones), you can email, get answers, find directions, and play games faster than ever.

Saving space, Wherever it's needed

With smaller app sizes, more storage space, and way more control over how your content is stored, it's easy to see the ways Android Oreo (Go edition) helps you save.
