DESIGN

# Stunningly Beautiful

BLU introduces its first V-Notched infinity display smartphone on the G9, with its ever-impressive lineup for 2019. Premium mirror metallic finish on the housing and battery cover gives the G9 a gorgeous look. Excellent form factor gives user a perfect hand-held experience that is second to none. At a super thin 8.1mm, it is the thinnest 4,000mAh smartphone available.

Available in Black and Gradient Blue.

DISPLAY

# See More. Always

The G9 is equipped with a 6.3" HD+ Infinity display that expands on a 720 x 1520 pixel high definition digital canvas. Strategically placed LED lights up the display with over 470 nits of lumen brightness. Bring all your movie and images to life with this amazing display.

 19:9 ASPECT RATIO | V-NOTCH | 470 NITS OF BRIGHTNESS | 89% SCREEN TO BODY RATIO

PROCESSOR

# Powered by The Best

Powered by the latest 12nm MediaTek P22 chipset with AI-accelerated experience that brings all your apps to the next level. Whether it is for gaming or productivity, the G9 offers power efficiency and the most advanced AI features.

**MediaTek helio | P22**

RAM & STORAGE

# All The Storage Space You Need

The G9 comes fully prepared with 64GB of internal memory for all your storage needs. Paired with a 4GB RAM the G9 can handle multiple tasks without a hitch. An additional built-in Micro SD slot allows for an extra 128GB of storage.

**64GB INTERNAL STORAGE | 4GB RAM**

DUAL CAMERA

# Shoot Like a Pro

Snap photos with confidence on the G9's AI powered dual camera featuring 13 Megapixel + Depth Sensor Main along with 13 Megapixel Selfie that uses 4-cell technology which compound 4 pixels into 1 sensor unit for an incredible picture even in low lit environment.

SUPER ZOOM

# So Far Yet So Close

The BLU G9 is equipped with state of the art A.I camera that reaches up to 52MP in high density resolution. Using our Super Zoom feature, each pixel is increased to four, maximizing the clarity of each photo. Even after capturing an image, you can zoom in to see the far reaching image with great resolution, rich detail and picture perfect imagery.

CAMERA SOFTWARE

# Create Something Awesome

Shot like a pro with the G9's dual camera setup, with up to 52 Megapixel Super Zoom capability. Nothing is impossible with Night Mode and Portrait Mode. The G9 makes sure all your shots look perfect every time. Expand your range and capture your imagination with the G9.

BATTERY LIFE

# Super Charged Super Fast

With a built-in 4,000mAh battery, the G9 should last you at least a full day on one charge. With 5V/2A quick charge capability, your device will be ready to go in less than 2.5 hours. At a super thin 8.1mm, it is the thinnest 4,000mAh smartphone available.

**4,000MAH SUPER BATTERY**

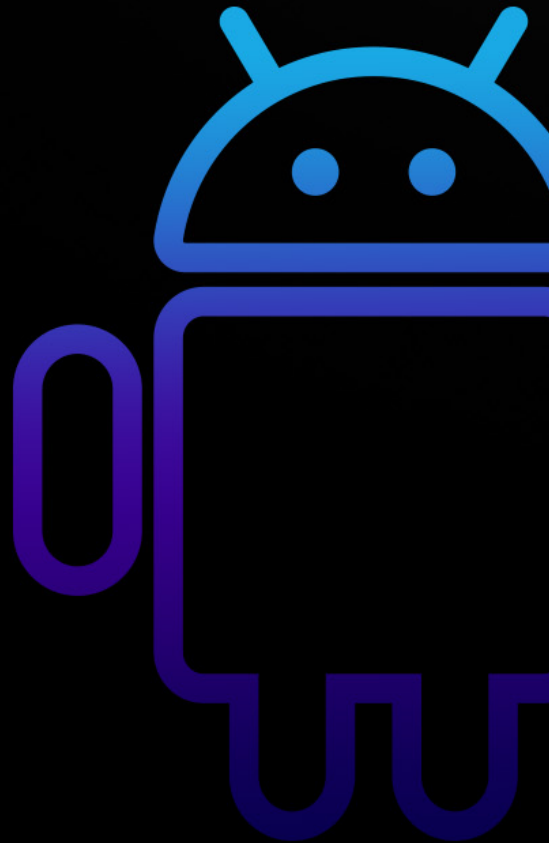

OPERATING SYSTEM

# Android 9.0 Pie

Android 9 harnesses the power of artificial intelligence to give you more from your phone. Now it's smarter, faster and adapts as you use it.

Android 9 adapts to you and how you use your phone, learning your preferences as you go. Your experience gets better and better over time, and it keeps things running smoother, longer.

App Actions predicts what you're about to do, so you get to your next task more quickly. If you do something like connect your headphones, the playlist you were listening to earlier is front and center.
