Impressive View

The GRAND M3 showcases an impressive 5.3" 18:9 widescreen display that brings realistic images to life all while improving your handheld experience. Enjoy your movies or play the latest game downloaded from the PlayStore, the 480 x 960 resolution with 203ppi vivid display will sure to impress.

Simply Beautiful

The GRAND M3 was designed with a compact and gorgeous housing with emphasis on great hand held experience as well as provide a structural integrity along with a elegant curved glass display. With these design elements the GRAND M3 offers a perfect stage for the 18:9 widescreen display.

Available in Black and Gold.

Curved Display

Incorporating the highest grade material such as curved glass touch panel ensure the GRAND M3 has excellent feedback and feel, as well as a smooth liquid form factor.

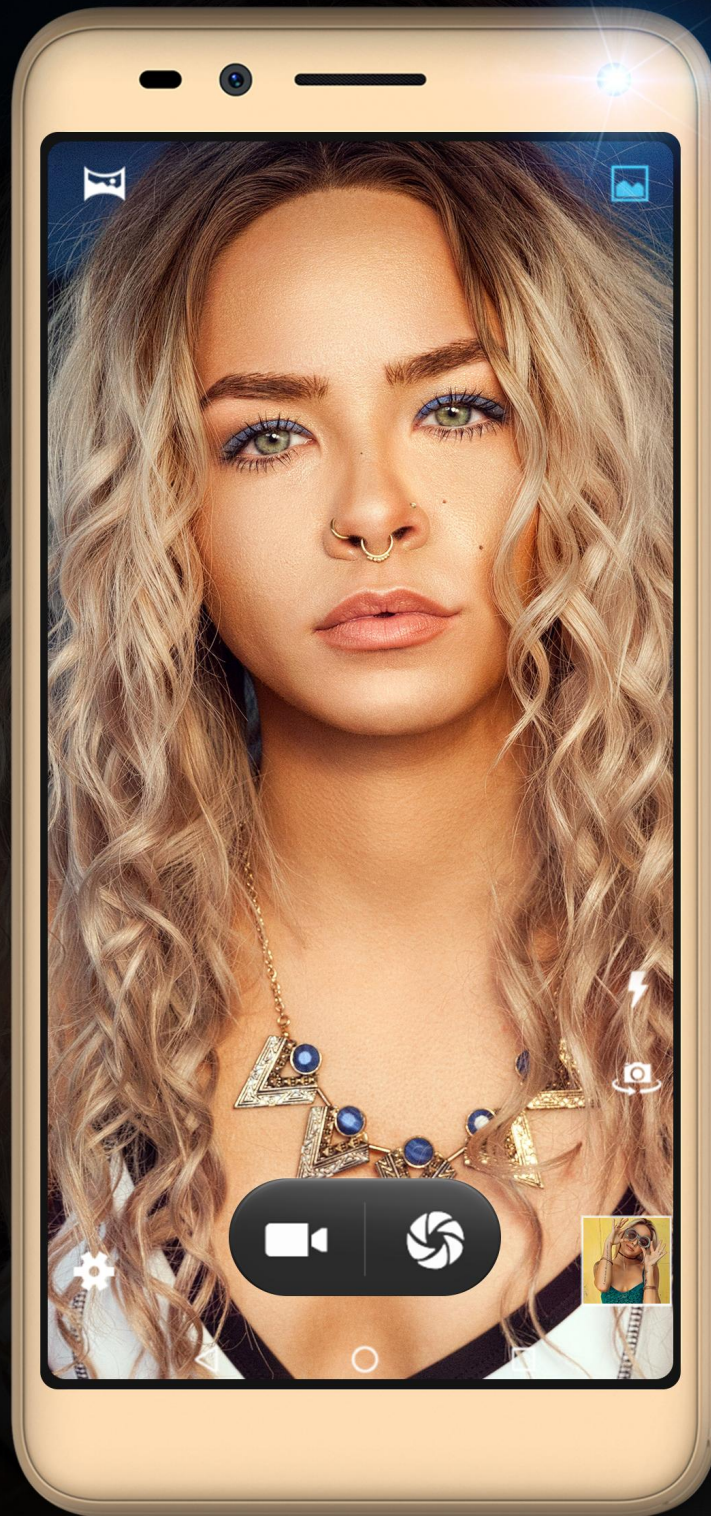

Masterful Images

Special moments happen in a blink of an eye, GRAND M3's 8 Megapixel main camera is there to capture it flawlessly. The GRAND M3 features numerous camera modes to ensure gorgeous pictures every single time.

8MP
With Flash

Selfie Time

Take all your self portraits on the GRAND M3's 5 Megapixel front camera. Most phones take the best picture in daytime, with the GRAND M3's flash you will get the best picture anytime.

5MP
Selfie + Flash

Processor

Powered by a MediaTek 6739 1.3GHz Quad Core processor, the GRAND M3 provides user with all the multitasking capabilities desired. Enjoy all your favorite movies and games with speed and efficiency thanks to the IMG GE8100 GPU.

UNLOCKED

Globally Connected. Unlocked & Dual SIM.

Stay connected on 4G LTE with friends and family while traveling across the country with speeds up to 10x faster than 3G . The GRAND M3 comes with 3G: 850/900/1700/1900/2100; 4G LTE: 1/2/3/4/5/7/12/17/28 bands so you can have coverage across the entire United States with all different carriers; AT&T, T-Mobile, MetroPCS and entire MVNO Network.

Android Oreo

(GO Edition)

Android 8.1 Go Edition

A powerful experience for entry-level smartphones. It's the best of Android, built with new and reimagined apps, so even the most affordable Android smartphones are as sweet as can be.

Google apps, reimagined

By building a fast, smooth smartphone experience with enhanced apps (and a few new ones), you can email, get answers, find directions, and play games faster than ever.

Data that has your back

With a built-in data manager and more options to help you save, there are now more ways than ever to stay in control of your data. Because data is meant to be enjoyed, not just used.

Saving space, Wherever it's needed

With smaller app sizes, more storage space, and way more control over how your content is stored, it's easy to see the ways Android Oreo (Go edition) helps you save.

Built to use less

Brand new apps designed for lighter updates and downloads help create more space while significantly improving performance. That's what we call a win, win.

Comparison
