This is a Locked Note. 🔒
- To do**  
February 26, 2023
  - Send an email update to the team: 9am today
  - Call the design agency to finalize mockups: 1:00pm today
  - Touch base with recruiters about new role: Tuesday
  - Meet with the IT team: Thursday
- Butternut Squash Soup**  
Ingredients
  - One 2- to 3-pound butternut squash, peeled and seeded
  - 2 tablespoons unsalted butter
  - 1 medium onion, chopped
  - 6 cups chicken stock
  - Nutmeg
  - Salt and freshly ground black pepper
- Healthy Tips**  
January 03, 2023  
Eat a healthy diet. Consume less salt and sugar. Reduce intake of harmful fats.
- The Core**  
December 18, 2022  
It's an element found in the main processor that reads and executes instructions. Devices began with a single-core processor, but engineers created more powerful devices by including more cores in one device. That led to dual-core devices. Soon there were quad-core processors (as in four cores), and now there are hexa- (six) and octa-core (eight) smartphones and tablets.
- News**  
February 21, 2023  
Introducing the all new 10" premium tablet from BLU, the M10L PLUS. Enclosed in a premium metal housing with powder coated paint finish along with pristine curved glass display for a perfect execution that is bar none.
