R2 Plus

Great Design

R2 Plus was designed and engineered with the highest grade material. The aluminum battery cover adds structure and premium quality, while the curved glass display provides a great user experience. Available in Black and Gold.

Processor

With a MediaTek 6753 chipset working jointly with a 1.3GHz Octa Core processor, the R2 Plus is a powerhouse for performance. Paired with 3G of RAM, the user can be certain of a quick and fluid user experience.

Memory To Spare

The R2 Plus is equipped with 32GB internal memory that offers plenty of space to store all your files. If you're on the go, not to worry. All movies, pictures or music are all within reach on your R2 Plus smartphone. Paired with 3GB of RAM, you can run multiple apps smoothly and effortlessly. Need more space? Built-in MicroSD slot offers another 64GB of external space.

Visual Stimulant

Who said visual breathtaking images and videos can only be seen at the movies?

With a 1080 x 1920 resolution and 400ppi, the R2 PLUS captures details, eye catching colors, and exquisite hues on the 5.5" Full HD 1080p screen.

Curved Glass

Incorporating the highest grade material such as curved glass touch panel ensures excellent feedback and feel, as well as a gorgeous look.

Picture Time

Photo sessions are now certain to be amazing. With the R2 Plus's 13 Megapixel 5P lens main camera, every shot taken will have stunning quality.

Selfie Camera

Big is an understatement, the R2 Plus boasts a 13 Megapixel selfie camera with flash. Self-portraits will literally be professionally inspired in every single click. The f2.0 aperture ensures all photos are looking incredible, no matter the low light environment you find yourself in.

Quick Access. Total Security.

The R2 Plus assures you have total security and convenience with the press of a finger. Unlock your smartphone with ease and peace of mind, while also having quick accessibility to all your important applications and music.

Fingerprint Sensor

Battery

No need to stop what you're doing to charge. The R2 PLUS has a 3,000mAh battery allowing for a 30 day stand by time. Never feel depleted, the R2 PLUS makes running out of battery non existent.

Android Nougat

Introducing Android 7.0 Nougat. New multi-window support to use apps on screen simultaneously. Better background optimization to minimize RAM use by system and apps. Project Vulkan API, a new 3D rendering API for 3D graphics. With these new enhancements in addition to other features available, users will have many new capabilities.

Globally Connected | Unlocked ^{4G}_{LTE} | Dual Sim **1** **2**

Stay globally connected with friends and family while traveling the world. The R2 PLUS comes with 3G 850/900/1700/1900/2100 & 4G LTE bands 1/2/3/4/7/12/17/28 to ensure you always have access to worldwide carrier coverage while you're on the go!
