Quick Access. Total Security.

With the STUDIO J8M LTE easy to use fingerprint scanner, be assured all your important documents are secure and safe. Access granted with ease and convenience at the press of your finger.

Android Nougat

Introducing Android 7.0 Nougat. New multi-window support to use apps on screen simultaneously. Better background optimization to minimize RAM use by system and apps. Project Vulkan API, a new 3D rendering API for 3D graphics. With these new enhancements in addition to other features available, users will have many new capabilities.

Globally Connected | Unlocked | Dual Sim

Stay globally connected with friends and family while traveling the world. The STUDIO J8M LTE comes with 3G: 850/900/1700/1900/2100 and 4G LTE: 1/2/3/4/5/7/12/17/28 to ensure you always have access to worldwide carrier coverage while you're on the go!
