## DUAL SIM CARD DUAL SIM 1 2

A DUAL SIM Phone gives you several advantages that you cannot let pass by. By having two SIM slots in your mobile device, you do not have to worry about:

- Exchange SIM cards from one phone to another
- Carry two phones in your pocket
- Remember to charge two devices

You could take advantage of different voice/data plans for better rates, better coverage and separate bills. You can separate personal from business phone calls. For the international traveler, a DUAL SIM phone could avoid roaming charges by having a domestic carrier SIM and an international SIM.
